

REASON # 72 TO STOP PLANNED PARENTHOOD FROM GETTING OVER \$265 MILLION IN YOUR TAX DOLLARS!

RACISM

“We do not want word to get out that we want to exterminate the Negro population.”

—Margaret Sanger, founder of Planned Parenthood

Margaret Sanger promoted the “science” of eugenics—the idea that the human race could realize its full potential only if “inferior” humans with limited intellectual capacity were eliminated.

From that first seed of racism, Planned Parenthood has become a leading contributor to the number one cause of death among African-Americans. Every year, over 400 thousand black babies are killed by abortionists. That’s almost 32% of the total number of abortions, even though African-Americans are only 11% of the total population.

Planned Parenthood today is doing exactly what their founder hoped to do—make America as white as possible by eliminating “inferior” humans.

Every year, Planned Parenthood pursues their founder’s mission with the help of over \$265 Million of your tax dollars.

A nation in which African-Americans voluntarily reduce their numbers and even pay Planned Parenthood to do the job. Margaret Sanger would be pleased.

Americans should end racism. Not pay for it. Sign our petition today at:
